JOIN OUR FAMILY OF CAT GUARDIAN ANGELS¹

Our biggest expense in caring for the cats we rescue involves paying for their medical treatments and any medications. We've all heard the saying that "cats have nine lives" – an expression that implies that they have a host of Guardian Angels watching over them. In order to help defray our medical costs, we invite you to make a donation, joining our Family of Cat Guardian Angels – by becoming a Guardian Angel or an Archangel.

Become a *Guardian Angel* with a one-time donation named after one of your current pets or for a pet that is no longer with you. With a recurring donation become an *Archangel* by sponsoring one of our shelter cats. Periodically in our Newsletters, we'll list the names of current members of our Family Guardians. All money that we receive from our Cat Guardian Angels will be used to help pay for medical expenses for the cats in our care.

If you would like to join our Family of Cat Guardian Angels just fill out the attached form. You can send a check to the above address or donate through PayPal on our Website (evaskitties.org). Or if you prefer, just fill in the information below, and detach the form and mail to the above address or make a donation via PayPal and send the information listed below to info@evaskitties.org. Please note Cat Angel in the Subject Line. All gifts are fully tax deductible. (Our Tax Exempt # is: 83-2305228)
